

Privacy Policy

Sipgate is committed to respecting our customer's privacy. Once you choose to provide personally identifiable information, it will only be used in the context of your customer relationship with sipgate. sipgate will not sell, rent, or lease your personally identifiable information to others. Unless required by law or your prior permission is obtained, sipgate will only share the personal data you provide with other sipgate entities and/or business partners who are acting on sipgate's behalf to provide you services. Such sipgate entities and/or national or international business partners are governed by sipgate's privacy policies with respect to the use of this data.

Sipgate may compile and provide aggregate statistics or reports about customers, sales and traffic patterns to third parties. None of these reports or statistics will include personally identifiable

information. However, sipgate reserves the right to use personally identifiable information to investigate and help prevent potentially unlawful activity that threatens either sipgate or any company affiliated with sipgate. Moreover, upon the appropriate request of a government agency, law enforcement agency, court or as otherwise required by law, sipgate may disclose personally identifiable information.

Sipgate uses Google Analytics, a web analytics service provided by Google, Inc. („Google“). Google Analytics uses „cookies“, which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of eva-

luating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.
